LETTER TO EXAMINER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In an attachment to the Notice of Allowability, the Examiner confirmed that the documents cited in an Information Disclosure Statement submitted on June 8, 2001 (although it is believed the Examiner intended to mean May 5, 2003) had been considered by the prior Examiner. The present Examiner, however, noted a few informalities in the listing of the documents on Form-1449. To remedy these noted informalities, enclosed is a replacement Form-1449 that the Examiner may want to enter in this case.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP

Information Disclosure Statement PTO-1449 (Modified)

The identification of any reference is not intended to be, and should not be understood as being, an admission that such publication, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given reference may have a later effective date than first seems apparent or the reference may have an effective date which can be antedated. The "prior art" status of any reference is a matter to be resolved during prosecution.
